Only one entry per variety per garden shall be allowed in any one class. Any double entry of a variety that is detected shall be disqualified.

All decisions of the judges shall in all cases be absolute and final and cannot be altered or appealed in any way.

Bloom entered with the wrong name on the entry tag shall be called to the attention of the show chairman. The Show Chairman shall have the name tag changed and the bloom considered for an appropriate award together with other bloom of the same variety with no penalty to the displayer

The board authorized the purchase of 100 membership signs. These signs are on aluminum with a white background. The standard Hibiscus emblem is on the left with the words "Member American Hibiscus Society" in green and red. The signs are available to any
